Procedure revision date: 07/14/2011

Removal and Installation

1. Remove the LH and RH C-pillar trim panel. For additional information, refer to C-Pillar Trim Panel in this section.

2. Position the rear seat back rest to the flat position.

3. Remove the 3 parcel shelf pin-type retainers.

4. Slide the rear safety belts through the parcel shelf slots until the safety belts are positioned under the parcel shelf.

5. **NOTE:** During installation, if equipped with a **sunshade**, make sure that the foam blocks on the parcel shelf are engaged on the **sunshade** tabs. RH side shown LH side similar.

   Remove the parcel shelf.
   - Lift the front of the parcel shelf upward. Reach under the parcel shelf toward the back glass to separate the Velcro® at the base of the parcel shelf.
   - With slight pressure, pull the parcel shelf forward to remove.

   6. To install, reverse the removal procedure.
