

2011 750i xDrive - F01

51 45 385 Removing and installing/replacing middle decorative strip on dashboard

[Report a problem with this article](#)

Special tools required:

- [00 9 317](#)

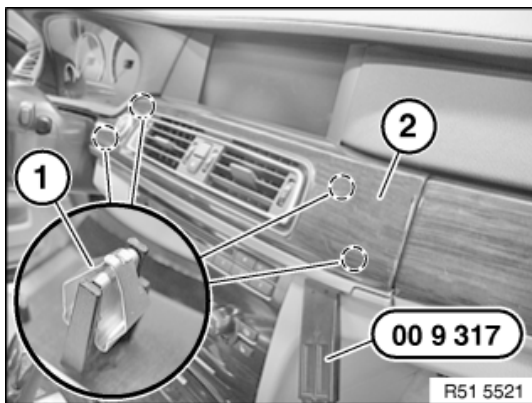

Important!
Risk of damage!

A hard disk is installed in the Car Information Computer (CIC).
Carry out mechanical work on the CIC and adjacent components with care.
Avoid subjecting the CIC to vibration/shocks.

Necessary preliminary work:

- Remove [bottom instrument panel cover](#)

Unclip decorative strip (2) at marked points with special tool [00 9 317](#).

If necessary, replace faulty clamps (1).

Unlock and disconnect plug connections behind decorative strip (2) - for Start/Stop, hazard warning flashers/central locking and lid control.

Remove decorative strip (2).
