Dear Mr Hevera,

**Re: Outcome of your assessment**

I am writing to inform you that following your re-assessment on 3<sup>rd</sup> November 2010 the panel have decided that your needs are Low and do not meet the borough's eligibility criteria under Fair Access to Care Services (FACS). Although there are some activities of daily living that you are able to perform independently, the borough only meets Moderate need and above. I am enclosing a copy of our eligibility criteria and a copy of your recent assessment for your information.

The website details for the Department Of Health's Guidance on the Eligibility Criteria for Adult Social Care can be found at -

You may want to contact care agencies for assistance with your housework or you may want to organise this assistance privately. If you wish to do so and would like some assistance please do not hesitate to contact me.

Yours sincerely

Pedro Williams
