

18" x 18" x 12" deep
Concrete ftgs.
Typ.

Double 2x12 (DF#2 grade)
Typical

These are the 2x12's that will sit on top the Jack Post, Wooden Post or Concrete Block Pier

This is a concrete pad where I would put a Jack Post, Wooden Post or Concrete Block Pier

This is the concrete block wall that holds up the dirt for the crawlspace and where I will put a Jack Post or Concrete Block Pier
